Description

In accordance with Office of Management and Budget (OMB) Circular A-76 (Revised May 29, 2003) on the Performance of Commercial Activities, the Department of Housing and Urban Development (HUD) announces the results of its A-76 Streamlined Competition on the Spanish Language Translation and Localization Support Services. The Streamlined Competition Form (SLCF) was completed and signed on June 23, 2005, and disclosed that performance by government personnel is more cost effective than performance by the incumbent private sector service provider. Accordingly, the Contracting Officer will execute a Letter of Obligation with the senior manager of the office performing the function. In accordance with the revised OMB Circular A-76, no party may contest any aspect of this streamlined competition. The SLCF will be made available to the public upon request.
